

“Entrepreneurship Education is How Communities Grow Stronger”

-Will Ferreira

WHAT TO DO TO BE A BETTER LEADER

Good leaders are needed in rural America. We can become good leaders by *establishing achievable goals* and by having a positive outlook on all possibilities that could achieve them.

Good leaders do not look down on people based on preconceived notions. Leaders *communicate an atmosphere of honesty in both their professional and their private lives.*

Good leaders *earn the confidence of their supporters and take action on behalf of their communities.* To be successful as a manager or as an employee, you must know how to *turn life situations into opportunities* for improvement.

Good leaders learn more! Come to this workshop to learn with our instructor, Will Ferreira, Director of the Freshwater Coast Community Foundation-Clemson Entrepreneurship Education Alliance.
