## STRATEGIC THINKING: DEVELOPING POSITIVE ATTITUDE AND WORK ETHICS

*Strategic Thinkers* understand that an individual's degree of resistance to change is determined by whether they perceive the change as good or bad, and how severe they expect the impact of the change to be on them. Strategic Thinkers *sell the Vision*, first.

*Strategic Thinkers* recognize people's core differences. They provide positive feedback to everyone. Everyone has a desire to know where they stand, how they are doing, etc. Success should be celebrated no matter the size.

*Strategic Thinkers* learn more! Come to this workshop to learn with our instructor, Will Ferreira, Director of the Freshwater Coast Community Foundation-Clemson Entrepreneurship Education Alliance.
